Instructions for logging into Special Olympics VA Courses via Ed App:

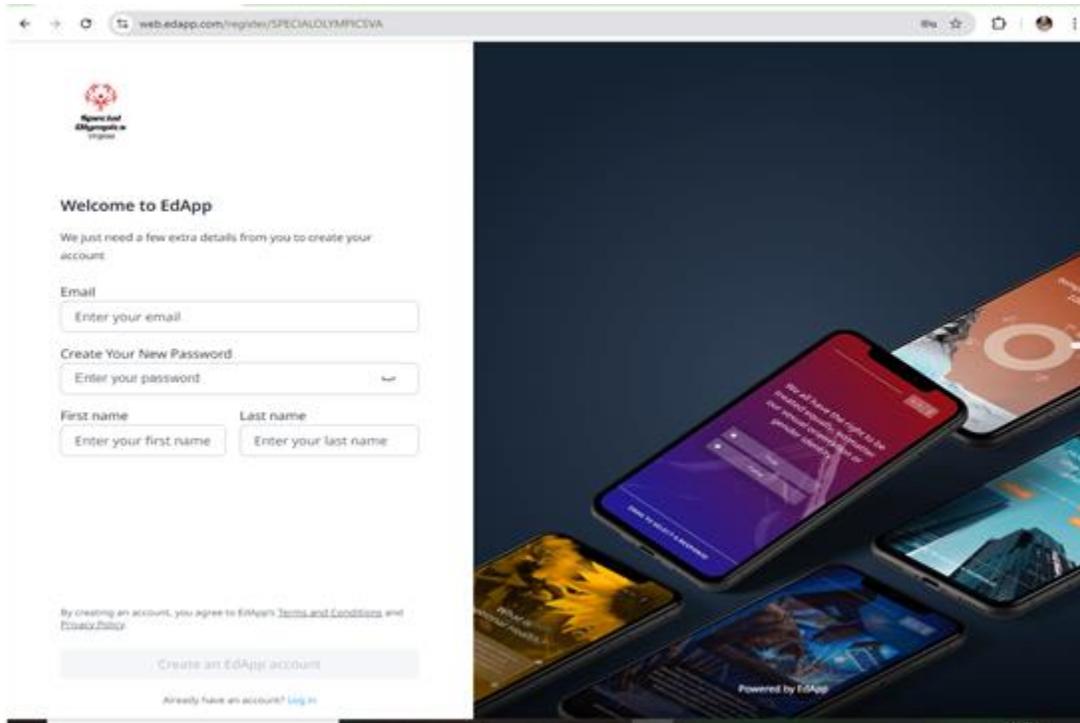

1. **Make sure your URL Browser reads:**
   https://web.edapp.com/register/SPECIALOLYMPICSVA

2. **Type in the email address you currently use. This will be your username when you sign in.**

3. **Next, create a password that is unique to you. Don't make your passwords too easy to guess for spammers or online hackers. If you can, Try making sure your password is at least 8 characters long and use special characters or numbers. (For more info on creating safe passwords, click this link here.)**

4. **Next Enter your First and Last Name.**

5. **Once you click "Create an Ed App Account" your screen should look like this. See image below:**
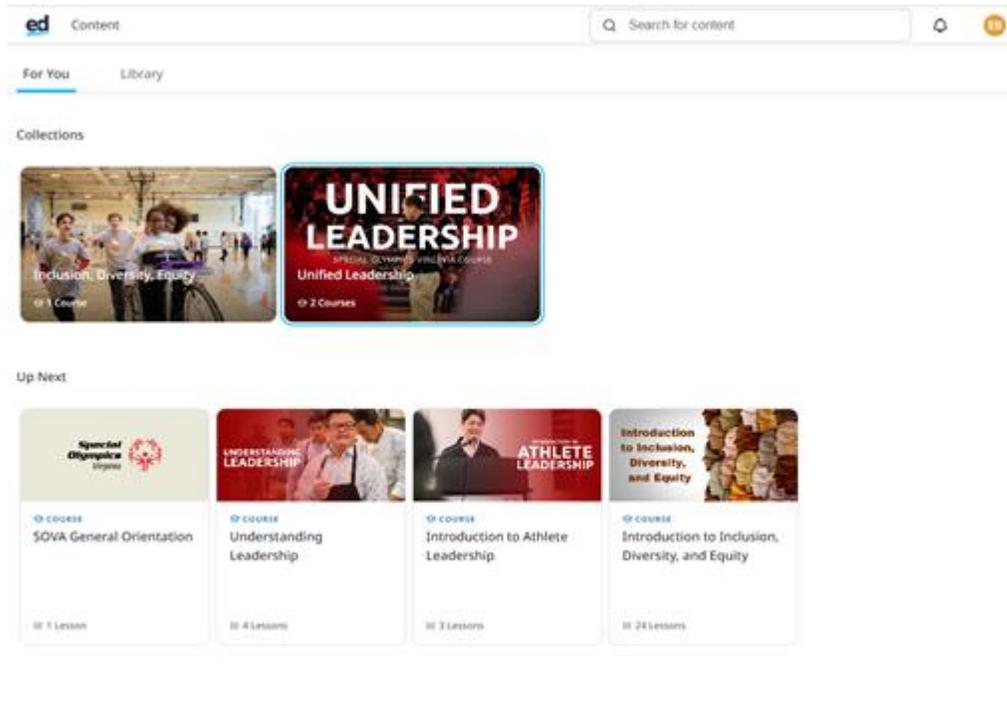

6. **Now you click on Unified Leadership.**

7. **Your screen should look like this.**
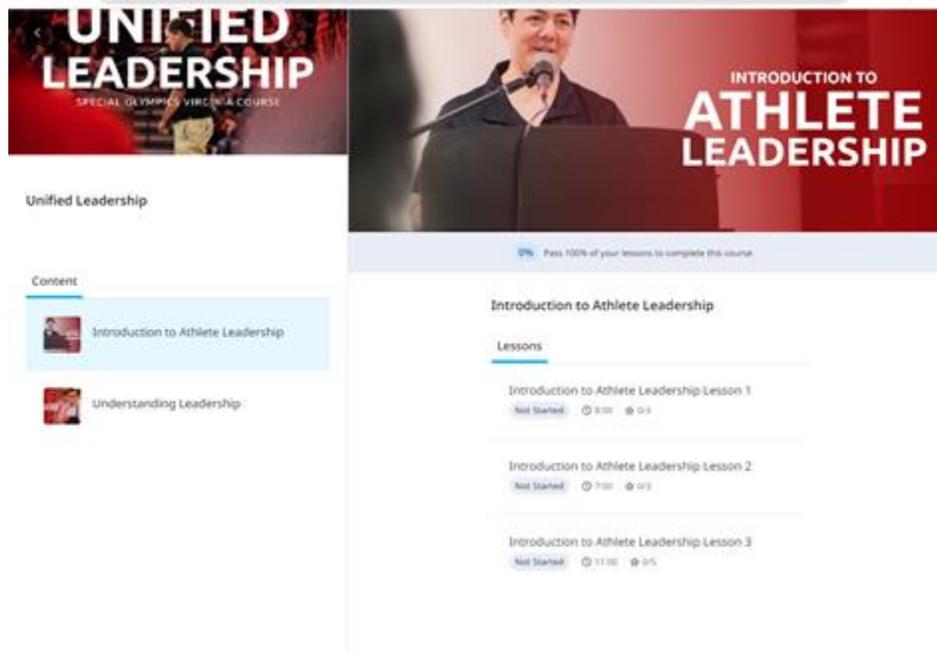

8. Next, click on the course you want to start. Remember take notes during the course especially with slides that may not be narrated or if you have trouble remembering certain inductions in the lesson.

9. Also, after you complete a course, you will submit feedback to us on how you think we did with the course. If there's anything you feel like we need to change, please let us know. Feedback is so helpful to us because with it, we can make sure the material is easy to understand for athletes who have different learning needs.

10. Remember, don't stress over these modules. Take your time and take breaks when needed. If you have any questions reach out to the SOVA team and we will help you. We want you to enjoy your learning experience, and not feel pressured with other things you have planned in your day. Happy Learning! 😊
