TOURNAMENT GUIDELINES

- **Pace of Play** will be strictly monitored and enforced during the tournament. All players will be required to play 9 holes within 2 ½ hours.
- **There is a 10 stroke maximum.** After a team/player has taken 10 strokes, you must pick up and move to the next hole.
- **3 minute lost ball rule.** If a ball is lost the athlete/partner has 3 minutes to locate the ball.
- **Alternate Shot Play (Level 2):** Before beginning play determine who will tee off on the odd numbered holes and who will tee off on the even numbered holes. Once the tee ball is put in play by the partner/athlete, the next shot is taken by the other partner/athlete, alternating back and forth until the ball is holed. A swing and miss is a stroke and the other partner/athlete must make the next attempt to advance the ball.
- Level 2 golfers will not be provided or allowed to bring caddies. Level 2 will have volunteers to carry the bags, but those volunteers are not required to fulfill the duties of a caddie. You are encouraged to bring a pull cart if you have one.
- All players are required to walk the course.
- All partners and athletes should dress in proper golf attire.

Special Olympics Virginia
