

2022 TORCH RUN

Help us keep the Flame of Hope burning by running, walking and biking across Virginia with a goal of covering 5,100 miles for the 51 athletes competing in Orlando at the 2022 USA Games.

All registered runners will receive the 2022 LETR T-shirt and will have the opportunity to participate in a local community Torch Run and/or run on their own.

This year the **ONLY** way to get your 2022 Torch Run t-shirt before Torch Run week is to register and purchase the shirt online.

All shirts will be mailed directly to your address within 7-10 business days.
