## CHAMPION'S SOCIETY

In the Olympic tradition of excellence and grandeur, members of the Champion's Society protect our athletes' futures. By providing for Special Olympics Virginia in their estate and financial plans today, members of the Champion's Society guarantee the long-term success of Special Olympics Virginia and its goal to to inspire more inclusive communities where all are welcome.

There are no minimum gift amounts to join the Champion's Society. If you have already included a gift to Special Olympics Virginia in your will, trust, beneficiary designation or other planned gift, we hope you will let us know. Your willingness to be listed as a member of the Champion's Society not only encourages others to follow your example, but ensures the family members, athletes and community at large that Special Olympics' life-improving mission will continue for generations to come.

For more information about the Champion's Society and including a gift to Special Olympics Virginia in your estate plans, please contact Kelli Bonner, Director of Advancement, at kbonner@specialolympicsva.org.
