

#CHOOSEToINCLUDE

Social Distancing Ideas for Students Signing the Choose to Include Pledge:

#1 Sticky Note

Each student signs a sticky note that teachers put on the pledge banner.

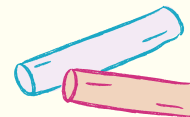

#2 Pledge Banner

Each class signs an 8½ x 11 replica of the pledge that is then taped to the pledge banner or kept in each classroom.

#3 Personal Pledge Paper

Each student has their own pledge paper. Younger students draw a picture depicting inclusion and older students write how they will Choose to Include others. Post these pledges in your classroom or in the hallway.

#4 Chalk

Chalk is used to write the pledge on asphalt. Each student gets a piece of chalk and writes their name below the pledge.
