3

ENGAGE

CHOOSE TO INCLUDE

Together we are shaping the first Unified generation that chooses to include on and off the playing field. We're currently partnering with more than **500** schools across the state and impacting nearly **500,000** students with and without intellectual disabilities. With your help, we'll be able to reach even more school communities to share our message of respect, inclusion and unity.

GIVE BACK, GET BACK

50% of the funds raised can be kept by your school*; the other **50%** are used by Special Olympics Virginia to support more than 23,000 athletes and fund programming in schools.

**Schools currently not offering at least one UCS Program will keep 25% raised.*
