

Special Olympics Nationally Recognized Unified Champion Schools

A *National Banner Unified Champion School* is one that has demonstrated commitment to inclusion by meeting 10 standards of excellence. These standards were developed by a national panel of leaders from Special Olympics and the education community.

The primary activities within these standards include: Special Olympics Unified Sports® (where students with and without disabilities train and compete as teammates), Inclusive Youth Leadership and Whole-School Engagement. *Banner Unified Champion Schools* should also be able to demonstrate they are self-sustainable or have a plan in place to sustain these activities into the future.

Special Olympics is proud to recognize the following schools for this achievement:
